

Webinar Announcement

SRF American Iron and Steel Requirements

Refresher Webinar: Focus on States and Borrowers

Join us at this upcoming webinar:

Date: Tuesday, March 12, 2019

Time: 2:00 PM – 3:30 PM EDT

Register at this link:

<https://register.gotowebinar.com/register/5202049392288121345>

We invite you to join us for a webinar to discuss details and implementation of EPA's AIS requirements, including how to implement the AIS requirement, project coverage, the waiver request process, and the national waivers.

This webinar will be presented by EPA's Clean Water (CW) and Drinking Water (DW) State Revolving Fund (SRF) programs

Please register in advance using the link provided above

Technical Tips: Once you register for the webinar using the link provided, you will receive an automated email from "webcastinfo." Please retain this email, as it includes a link for joining the webinar, information on webinar audio, an email contact for questions related to the webinar, and a link for more information on using Gotowebinar. If you do not receive this confirmation email shortly after registering for the webinar, please check your spam/junk e-mail folder. We recommend joining the webinar several minutes early to allow time to download or upgrade the Gotowebinar software. Please note that audio will be available on-line only, and that there is no telephone call-in number associated with this webinar. Please ensure that you are using a computer with working speakers or headphones prior to joining the webinar.
